

Free Wi-Fi

The Quebec City Convention Centre offers to all a free wireless Internet access for the duration of your stay. This free connection offers speeds of 5Mbps and a bandwidth limitation of 250 MB per day, per device. Once the 250MB quota has been reached, you will be automatically redirected to our portal home page, being invited to pay for an access to complete the day. You can choose from a \$15.00 code for the duration of the day with the same speed as the free Wi-Fi and a bandwidth usage of 10GB or \$125.00 for the duration of your event with a higher connection speed.

We wish you a great event.
